LIFE DEPARTMENT.

I.—LIFE INSURANCE BRANCH.—The large proportion of NINE-TENTHS of the PROFITS is divided among the Policy-holders, on the participating Scale, every five years; and is allocated not only on the sums insured, but also on the previous additions, if any, which have not been surrendered.

The last Division of Profits was made as at 31st December, 1880, when there was declared a Bonus of £1 7s 6d per cent. per annum.

If taken as a per centage on the original sums assured, this Bonus is equivalent to an addition of from £2 11s 4d per cent. per annum on the oldest Policies, to £1 7s 6d per cent. on those now for the first time entitled to participate.

II.—ANNUITY BRANCH.—ANNUITIES, Immediate, Contingent, or Deferred, are granted on favourable terms.

FIRE DEPARTMENT.

The Company INSURES against FIRE almost every description of Property, at Home or Abroad, at the lowest rates of Premium corresponding to the Risk.

The Policies of this Corporation now extend to cover Loss or Damage by Lightning to the property insured, whether set on fire thereby or not.

Every information may be had at the Chief Offices, Branches, or Agencies.

THE SCOTTISH LEGAL LIFE ASSURANCE SOCIETY.

Established 1852. Registered 1856.

CHIEF OFFICE—86 WILSON STREET, GLASGOW.

Accumulated Capital, -	-	-	-	-	-	-	-	£177,000
Annual Income about -	-	-	-	-	-	-	-	100,000

TOTAL MEMBERSHIP ABOUT -	-	-	-	-	-	400,000
MEMBERSHIP IN GREENOCK AGENCY, -	-	-	-	-	-	17,325

During the Half-year ending 31st December, 1883, £8000 were added to the funds.

At Aberdeen, on 22nd February, 1884, Mr FERGUSON SHINNIE, presiding at a Public Soiree, said of the Society—"With reference to their Society, he believed it was the largest of the kind in Scotland. Its floating capital at present amounted to £177,000, and the surplus, after settling all claims, was upwards of £20,000. This showed their Society was one that would stand any strain."

At Paisley, on 4th March, 1884, Provost CLARK said—"I feel pleased at having the opportunity of testifying my sympathy with the objects of the Scottish Legal Life Assurance Society—a Society instituted thirty-two years ago, and one that has now grown to be a power for great good in the land. * * * * * In joining this Society you join one of great respectability and soundness, and one that is rapidly growing in wealth."

At Edinburgh, on the 5th March, 1884, Mr JAMES WALLACE, Advocate, said—"The gain during the six months of the new management was £8,241."

At Leith, on the 21st March, 1884, Provost PRINGLE said—"On comparison, he found that this Society was the most economically conducted in Scotland."

The Directors can, with confidence, recommend the "SCOTTISH LEGAL" as the best and most efficiently conducted Friendly Society in the United Kingdom, and has many advantages over all similar societies.

Any further information may be obtained from the Agents of the Society.

AND REALLY SAVE MONEY.

THE system of selling Single Pairs of Boots and Shoes at *Manufacturer's Prices* has proved successful beyond the most sanguine anticipations of the Proprietor.

Ladies and Gentlemen daily visiting this model Shoe Depot are amazed and agreeably pleased at the very reasonable prices charged for HIGH-CLASS BOOTS AND SHOES, frankly acknowledging the saving of from 20 to 30 per cent. paid to their former Shoemaker for the same class of Goods.

We receive this testimony of our Customers in all truth, and would wish in passing to impress on the minds of those parties who have not yet favoured our Establishment with a visit, that the Manufacturer who produces, and directly thereafter offers for Sale his wares (no intermediate system of "dealing" stepping in to swell the charges), he only is in a position to offer special saving advantages over small shopkeepers, "dealers," "factors," &c.

Why pay 20s when you can receive equal value at the "PERCY" for 15s? The same honest saving holds good whether you purchase "Pinet's" Finest or "PERCY's" Own.

The *Pro Bono Publico* System, only carried out at the "PERCY," of Selling Single Pairs of Boots and Shoes direct to the Public at MANUFACTURER'S PRICES, has made the name of "C. M. PERCY" and "Cheap Boots and Shoes" household words in Greenock.

THE "PERCY" SHOE HOUSE,

THE EDINBURGH LIFE ASSURANCE COMPANY.

[FOUNDED 1823. INCORPORATED BY SPECIAL ACT OF PARLIAMENT.]

PRESIDENT—SIR GRAHAM CRAHAM-MONTGOMERY, BART.

VICE-PRESIDENT—THE MOST HON. THE MARQUIS OF LOTHIAN, K.T.

THE EDINBURGH" has now stood the test of upwards of SIXTY-ONE YEARS, during which period its affairs have been subjected to SEVEN INVESTIGATIONS and VALUATIONS, with the result of showing on each occasion that the Assets were largely in excess of the Liabilities. Out of the SURPLUS FUNDS thus ascertained, sums have been added to the Policies by way of

BONUS ADDITIONS

Exceeding ONE MILLION Sterling.

The Bonuses are allocated on an equitable plan under which an *increasing share of the profits* is added to the Policies as they advance in age. At last Division of Profits the Bonuses ranged from about 23s to upwards of £10 per annum per £100 according to the age of the Assured.

The Premiums, calculated on a Moderate Scale, are arranged under a variety of Tables to suit the circumstances of all classes. By an application of the earlier—without sacrificing the later and larger Bonuses, the Premiums may be made to *terminate during life* without increase of the ordinary rates.

NEXT DIVISION OF PROFITS AT 31st MARCH 1885.

Attention is specially directed to

The Comprehensive Non-Forfeiture Scheme under which payment of Premiums may be discontinued at any time without loss to the assured.

AERATED WATERS.

Purity certified by Eminent Analysts.

MORE than 70 years have now elapsed since our increasingly favourite AERATED BEVERAGES were first introduced; and solely by their superior merit and moderate price they have now attained the unqualified approval of a wide circle of all classes of society. Their manufacture has always been under the immediate supervision of medical men, which is the best guarantee the public can have that the AERATED WATERS manufactured by the Company are the purest and most wholesome that can be produced. All the materials used are of the highest degree of purity. The water is subjected to thorough filtration: each bottle contains a definite and unvarying proportion of the respective alkalies or syrups; and as scrupulous care is exercised in their manipulation, they may be relied on as absolutely free from organic and metallic contamination.

The spacious Premises, built expressly to meet the rapidly increasing demand for our AERATED WATERS, and fitted with appliances of the most modern, powerful, and approved description, are now the largest and most complete works of the kind in Scotland.

ADDRESSES TO THE QUEEN AND PETITIONS TO PARLIAMENT.

Petitions and addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are either without covers or are in covers open at the sides. No letter, or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, will be charged as an unpaid letter.

I.—NEWSPAPERS (Inland).

Subject to the following regulations, Newspapers pass within the United Kingdom at the rate of one halfpenny each:—

- 1st. To have the privilege of passing as a Newspaper, the publication must first have been accepted as a Newspaper by the Post-

* Inland letters are those which pass between places in the United Kingdom, including the Isle of Man, the Orkneys, Shetland, Scilly, and Channel Islands.

† If the weight be exceeded to the smallest extent, even though the balance be merely turned, the letter becomes liable to a higher postage. The same rule applies to letters going abroad. To provide, therefore, for errors in scales, &c., it is well to allow a little margin, or to pay the postage of the next greater weight.

master-General, and have been placed on a Register at the General Post-Office,* from which it is liable to be removed, either through the non-renewal of the registration year by year, or in consequence of any change which may deprive it of the characteristics of a Newspaper.

Registration for inland circulation includes registration for transmission abroad.

- 2nd. It must be printed and published in the United Kingdom, must be published in numbers at interval of not more than seven days, and must be printed on a sheet or sheets.
- 3rd. The full title and date of publication must be printed at the top of the first page, and the whole or part of the title and date of publication at the top of every subsequent page; and this regulation applies to "Table of Contents" and "Indices."
- 4th. A supplement must in every case be published with the Newspaper, and must have the title and the date of publication of the Newspaper printed on the top of every page; or, if it consists of engravings, prints, or lithographs, at the top of sheet or side.
- 5th. For each Newspaper, whether posted singly or in a packet, the postage when prepaid, is one halfpenny; but a packet containing two or more registered Newspapers is not chargeable with a higher rate of postage than would be chargeable on a book-packet of the same weight, viz., one halfpenny for every 2 oz. or fraction of 2 oz.
- 6th. A Newspaper posted unpaid, and a packet of Newspapers posted either unpaid or insufficiently paid, will be treated as an unpaid or insufficiently paid book packet of the same weight.
- 7th. The postage must be prepaid either by an adhesive stamp or by the use of a stamped wrapper.
- 8th. No Newspaper can be sent through the post a second time for the original postage. For each transmission a fresh postage must be prepaid, except that in the case of re-direction the amount chargeable may be collected on delivery.
- 9th. Every Newspaper, or packet of Newspapers, must be posted either without a cover, or in a cover entirely open at both ends, and in such a manner as to admit of easy removal for examination. If this rule be infringed, the newspaper or packet will be treated as a letter.
- 10th. Every Newspaper must be so folded as to admit of the title being readily inspected.
- 11th. A Newspaper, whether posted singly or in a packet, which contains any enclosures except the supplement or supplements belonging to it, will be charged as a letter, unless the enclosure be such as might be sent at the Book-rate of Postage and the entire packet be sufficiently prepaid as a book-packet, in which case it may be allowed to pass.

* The condition of admission to the Register may be ascertained on application to the Secretary of the Post-Office.

12th. A Newspaper which has any letter, or any communication of the nature of a letter, written in it, or upon its cover, will be charged as an unpaid or insufficiently paid letter.

13th. No packet of Newspapers must exceed 14 lbs. in weight, nor may it exceed two feet in length or one foot in width or depth.

The words "Parliamentary Proceedings" must be written or printed on the cover of the packet, otherwise it may be treated as an ordinary Book Packet.

Prepayment, when the circulation is within the United Kingdom, is optional : and if it be made in part, the simple difference only will be charged.

Parliamentary Proceedings may be sent, under the Book Post privilege, to all the Colonies, and to those Foreign States between which and this country there is a Book Post.

I.—BOOK POST (Inland).

A Book Packet may contain, not only books, papers, or other substance in ordinary use for writing or printing, whether plain or written or printed upon (to the exclusion of any written letter, or communication of the nature of a letter), photographs, when not on glass, or in frames containing glass, or any like substance, and anything usually appertaining to such articles in the way of binding and mounting necessary for the safe transmission by post, but also CIRCULARS—i.e., letters which appear from internal evidence to be intended for transmission in identical terms to several persons, and the whole or the greater part of which is printed, engraved, or lithographed.

1st. The postage is one halfpenny for every 2 ozs., or fraction of that weight.

2nd. The postage must be prepaid, either by adhesive stamps or by means of a stamped wrapper, or by a combination of the two; except at the Chief and District Post Offices, and the Branch Offices at Lombard Street and Charing Cross in London; and the Chief Offices in Edinburgh and in Dublin; where, from 10 a.m. till 8 p.m., it may be prepaid in money, provided the postage amounts to not less than £1 in any one case, and provided the packets are posted in bundles, each representing a postage of 5s.

3rd. A packet posted wholly unpaid will be charged with double the book postage, and if posted partially prepaid with double the deficiency.

4th. Every book packet must be posted either without a cover or in a cover entirely open at both ends, and in such a manner as to admit of the contents being easily withdrawn for examination,* otherwise it will be treated as a letter.

A book packet may not contain any letter, or communication of the nature of a letter (whether separate or otherwise), not being a circular letter, or not wholly printed, nor any enclosure sealed or in any way closed against inspection, nor any other enclosure not allowed by section 9. (Entries, however, merely stating who sends the book, &c., or to whom it is given, are

There must be nothing else written, printed, or otherwise impressed on it, nor must there be any writing or printing across the stamp. On the reverse side any communication, whether of the nature of a letter or otherwise, may be written or printed. Nothing whatever may be attached; nor may the card be folded, cut, or otherwise altered. If any one of these rules be infringed, the card will be charged 1d on delivery.

3. When, owing to a great and unusual influx of letters, books, &c., the transmission or delivery of the letters would be delayed if the whole mail were dealt with without distinction, Post Cards (unless paid for and posted as late letters) may be kept back until the next despatch or delivery.

4. No Card other than one of those issued by the Government, or a private Card embossed with a halfpenny stamp at the Office of Inland Revenue, Somerset House, or at the Stamp Offices at Liverpool and Newcastle-on-Tyne, will pass under a halfpenny stamp, if it bear on it a communication of the nature of a letter (unless it be a circular letter as defined at page 4).

The Company's circular on the subject is as follows :—

The Peninsular and Oriental Steam Navigation Company are authorised by the Director-General of the Post Office of India to receive parcels for delivery at any post town or district throughout India or Ceylon at a uniform rate of 1s per pound, or fraction of a pound weight.

This charge covers the conveyance from London to the address in India, &c. (but does not include Duty), and may either be prepaid or paid on delivery.

Parcels intended for this conveyance must be sent either to the Company's Office, 122 Leadenhall Street, E.C., or to their Branch Office, 25 Cockspur Street, S.W., London, by two o'clock P.M. If sent to the Company's Office by post or other conveyance, the Indian Address must be put on an inner cover. In all cases they must be accompanied by a letter of advice to the Company, stating name and address of package, and value and contents, for Custom House clearance; and also distinctly stating whether carriage is to be prepaid or not. If for prepayment, a cheque or P.O. Order for the amount must be enclosed in the letter, payable to Mr A. M. Bethune, Secretary, or when sent to Cockspur Street, to Mr F. H. Firth, agent. Particular attention is requested to these regulations in order to save any delay in the despatch of Parcels.

CUSTOM OF THE PORT.

The Chamber of Commerce and Manufactures of Greenock, at a General Meeting held this day, declare that the following is the Custom of the Port of Greenock, with reference to the matters herein referred to, applicable when no special stipulations are made in Charter Parties or other binding documents :—

I.—ENTERING CARGO.

1. When a vessel has been reported at the Customs, the Master gives notice to the Consignee, and the latter is bound, within forty-eight hours after such notice, to enter the cargo at the Customs.

II.—BERTHING VESSEL AND DELIVERING CARGO.

1. Vessels are bound to discharge at the berths assigned by the Harbour Master, and Consignees are bound to take delivery of cargo from alongside when landed at the quay at said berths.

2. In the case of Timber discharged into the water, the Consignee is not bound to take delivery unless the timber is inside a Harbour Basin, so that when the assigned berth is not inside a Harbour Basin, the ship is bound to float the timber into a Harbour Basin, and deliver it there.

3. All deals, staves, or broken stowage must be landed on the Quay by the ship.

III.—TIME FOR DISCHARGING WHEN NO NUMBER OF LAY DAYS IS SPECIFIED IN THE CHARTER PARTY.

1. When the vessel is in the berth assigned by the Harbour Master, the Master gives notice thereof to the Consignees, and the Master is bound to begin delivering, and the Consignee to begin taking delivery of the cargo within twenty-four hours thereafter, provided the time allowed for entering the cargo shall then have elapsed.

2. The Master is bound to tender, and the Consignee to receive, cargo each working day, weather permitting, at the following rates, unless a larger quantity is mutually agreed on, or unless modified by the Harbour Master, in virtue of the powers possessed by him under the Harbour Bye-Laws :—

- a. Vessels laden with sugar not exceeding 200 tons register, are allowed one working day for every 50 tons of the estimated weight of the cargo ; and vessels above that tonnage similarly laden are allowed one day for every 75 tons of the estimated weight of the cargo during the winter months (October to February inclusive), and for every 100 tons of such estimated weight during the remainder of the year, except in regard to vessels with Brazil cases of sugar, which are allowed one day for every 50 tons during the first period, and every 75 tons during the latter period.
- b. Vessels with wood or timber are allowed one day for every 100 loads of the cargo during the winter months, and for every 150 loads during the remainder of the year.
- c. The discharge of vessels laden with other non-dutiable goods to be carried on during the ordinary working hours according to the season of the year—unless when overtime is worked by

mutual agreement, and Consignees are bound, weather permitting, to keep the discharge going continuously during said hours, and to receive and to remove the cargo from the ship's gangway in such a way as to enable the work to be carried on without interruption throughout the entire discharge to the full extent of the ordinary hours allowed for carrying on the work.

IV.—LAY DAYS WHEN THE NUMBER IS SPECIFIED.

1. The Master gives written notice to the Consignee when the vessel is in the Discharging Berth assigned by the Harbour Master and ready to discharge, and the lay days begin to count from the date on which the said notice is given; but the day of giving notice does not count as a lay day unless the said notice is received by the Consignee before Twelve o'clock noon.

2. In case the harbours are so crowded that the vessel cannot be berthed, the Master gives written notice to the Consignee when the vessel is in the Harbour Basin or moored at the Quays, and, provided she would have been ready to begin discharging if the berth had been available, such notice takes the place of that provided in the previous clause.

3. Days (not described as "running days") meaning working days—*i.e.*, Sundays and Customs and local holidays do not count.

4. When the number of lay days is specially mentioned for discharging, the Master is bound to tender, and the Consignee to take delivery, of a proportionate quantity of the cargo each working day, unless some other quantity is mutually agreed on.

NOTE.—Should the said proportionate quantity be less than the quantity specified above (Section III., Clause 2), the Master is bound to tender, and the Consignee to take delivery, of the latter quantity each working day.

5. When the number of lay days for discharging is the unexhausted balance of a number specified for discharging and other purposes, the quantity to be tendered and taken delivery of each working day is the quantity specified above (Section III., Clause 2), unless a larger quantity is mutually agreed on.

6. A day does not count against the Consignee if the discharge is interrupted through failure of the Master to tender cargo as above stated.

V.—SETTLEMENT OF FREIGHT.

1. THEY are made on an entirely new principle — No Sewing, Pegging, or Rivetting required in their formation; Insoles perfectly smooth and agreeable to wear.

R. & J. DICK have made it their special study to meet a felt want, and after a long course of experiments have succeeded in arranging and uniting the sole to the upper with their impervious solution; by which process they are enabled to produce a thoroughly watertight boot, that combines warmth with lightness, and durability with cheapness.

THE BLEND!!!

I can strongly recommend my BLEND of Old-Matured HIGHLAND WHISKIES as being a selection of the choice productions of the most Famed Distilleries of the North and West of Scotland, mixed so as to give full effect to the special qualities possessed by each. This Blend is pleasant to the palate, as it is mellowed by age. It is restorative, owing to the different Spirits being Blended with a due regard to their chemical properties. It is nutritious and wholesome, because it is Distilled from the finest Scotch Barley, and that which contains the greatest amount of saccharine is only mashed. It is invigorating and gives zest and an exhilarating tone to the constitution. This Celebrated and most delicious Old Spirit is composed of the very cream of Old Highland Whiskies: is perfectly pure and divested of all Fusel Oil, peculiarly free from acidity, and is better adapted for general use than any other Spirit—Cognac Brandy not excepted. All the Whiskies used in this Noted Blend are specially Distilled and kept in Customs' Bond for Ten Years before being used, and until they are toned and completely matured by age.
